

Gifts That Give HOPE  
& IMPACT Communities!

# Gifts of *Hope*

It starts with you

# Give Hope this Christmas!

Through these **GIFTS** of education, health, food and nutrition, and more, you are giving the gift of **HOPE**!

Every year, as we step into the season of giving, we spend time and resources buying gifts to show our appreciation towards our loved ones. When you share the Gifts of Hope Catalogue, you are remembering the less fortunate and the vulnerable and planting the seeds of change that make a lasting impact!

What a truly meaningful way to celebrate the birth of Jesus, this Christmas season and all year long. Your compassion and generosity continue to yield a plentiful harvest and for that, we are so grateful for people like you!

Thank you for impacting lives and helping us strengthen communities around the world.

Blessings to you and your loved ones,

*"Poverty isn't defeated by wealth. It is overcome by **hope**."*
