Together - We Grow

We seek to empower communities to thrive beyond poverty.

EDUCATION. FOOD SECURITY. WOMEN EMPOWERMENT. CLEAN WATER. VULNERABLE PEOPLE. LEADERSHIP TRAINING. HEALTHCARE.

SPECIAL PROJECT

Partner with us to design a special project that pulls at your heart strings. Together we can determine a goal and see the impact multiply in the community of your chosen project and in the hearts of your network.

What can you expect when partnering with us?

- **Have your say** - your voice matters. Work alongside our approach to international development.
- **Own the fundraiser** - design the way you achieve your goal.
- **Recognition** - We recognize the power of YOU. On our project site, our platforms, and in our new upcoming magazine your name will be recognized.
- **Reputation** - Be associated with having a positive social responsibility.
- **Experience your impact** - Let us send you to the country and community you fundraised for and witness the work being done.

SPECIAL PROJECT IDEAS

Build a School

\$75,000

Help us finish the school we began to build for the vulnerable children of Kagan, Kenya. The school is already running with the use of the first floor and has seen amazing results. Their grade 8 class **ranked 2nd out of 210 schools** in their district! The second floor would allow the school to seek enrollment with middle-class families able to afford tuition. This would allow the school to go from depending on student sponsorship, to being able to operate self-sufficiently. Be recognized with a plaque on site of your work and contribution.

\$15,000

Feed a Village

Ensure the 500 students and faculty of Shelter of Hope are fed daily for a year. The school is struggling to provide daily meals. For many of students lunch is their only meal of the day. Could you focus on an empty stomach? Neither could we. Help Shelter of Hope feed their community so that each student has the best possible chance to learn. Gain recognition through a collaborative movie promoted on all media platforms and shared within their community.

Educate Children

\$25,000

Create a scholarship fund in your name to sponsor children in their high school and university studies. These children would receive mentorship and an opportunity to dream big and make what would otherwise be impossible happen. Many of our Alumni have returned to strengthen the community that supported them - giving back is the DNA and legacy you would leave.

\$5,000

Care for Mothers

Help Casa Compasiva, our Mexican birthing home, to provide financial aid to women and families in need of pre-natal and postpartum maternity care. Women giving birth within the government medical system are often subjected to trauma through complete isolation from friends and loved ones, racial prejudice, over-crowded conditions, and highly interventionist obstetric policies. This fund would be used to assist any women unable to afford Casa's midwifery services, but seek compassionate and unconditional care and services.

PARTNER STORY

*I*t was the first time leading a team into this specific drug hole. Hogar Genesis is not just an orphanage –they mentor drug and alcohol addicted parents, minister to prisoners, and have a street kids camp. This work is all in the hopes of restoring the family unit.

It was late at night and I was responsible for my team of volunteers who traveled from Canada to ImpactHope's project site in Iquitos, Peru. As we got into motor cars to head over to the drug hole, I started feeling a mix of excitement and fear. Little did I know, this would be one of the most memorable and emotional nights out of all my trips to Iquitos.

I met a little boy that night. A boy who barely spoke but his love and affection spoke louder than words could ever speak. As someone who lost their father at a young age, I connected deeply with this child. I had Rodolfo, the Director of Hogar Genesis, translate for me as I spoke words of hope: "you are loved by a heavenly father who will never leave your side. Whenever you feel alone, know that you are loved, cared for, and seen. You are never alone."

As I spent more time with this little boy, I saw his demeanor change. This was hope. He jumped into my arms and gave me the biggest hug. I could not stop crying as I went back to Hogar Genesis that night – I too felt the impact of hope. With every trip I make to Iquitos, I grow a stronger connection with the community and a sense of belonging. This connection has changed my life and it continues to encourage me. I hope it continues to encourage them too.

"I am beyond grateful of the opportunities I have had through ImpactHope. Throughout my time partnering, I've built an even greater appreciation for the amazing organization that it is, and look forward to see it continue to grow, bless, and shape stronger communities!"

Mae has committed to **advocate** for Hogar Genesis, one of our orphanages in Iquitos, Peru.

With her small business, she has already fundraised close to \$2,000 for the operations of the home. She has visited Iquitos several times and plans to return. We love Mae!
