# Give hope this Christmas!

Every year, as we step into the season of giving, we spend time and resources buying gifts to show appreciation for our loved ones. When you share the Gifts from this catalogue, you remember the less fortunate and plant seeds of change that make a lasting impact!

What a significant way to celebrate the birth of Jesus this Christmas season and all year long. Your compassion and generosity continue to yield a plentiful harvest, and we are so grateful for people like you!

Thank you for giving the GIFTS of education, health, food, clean water and more. You are giving the gift of HOPE!

Blessings to you and your loved ones,

*With Gratitude*

We're committed to honouring your generosity and ensuring the selected gift gets to a community in need. Spending of funds is confined to approved programs and projects. If any given need has been met or cannot be completed, the understanding is that the gift will then be used where it is most needed or where another opportunity of similar nature exists.

# GIVE THE GIFT OF EDUCATION & LEADERSHIP TRAINING

**Rachel dreams of becoming a doctor one day.**

But she may never go to school. Over 265 million children are currently out of school. Education can be a powerful tool to bridge the gap of social inequality and help children thrive rather than just survive!  
You can help children like Rachel realise their dreams.
