A Beacon of Hope in Challenging Times

EDUCATION IN FORT JACQUES, HAITI

From Heart to Hand

Dear Valued Donors,

We hope this update finds you in good health and spirits. Your unwavering support has been the backbone of ImpactHope's education project in Fort Jacques, Haiti. In a country facing numerous challenges, including civil instability, your dedication to providing a brighter future for the children of this community is truly remarkable.

As you may be aware, Haiti has been facing significant challenges, including widespread gang violence, which has made it difficult for many children to attend school in the new academic year. Regrettably, there are some children who have been unable to attend school regularly due to safety concerns.

We are grateful for your ongoing support. Here's a brief update on our progress:

- **School Reopening and Attendance:** We are delighted to report that the school reopened its doors on September 11th. The dedicated team of teachers, along with their cook, eagerly welcomed the children back. As of September 18th, we were blessed to have 25 eager minds in attendance, ready to embark on their educational journey.
- **Expanding Educational Horizons:** The vision extends beyond the current grades. They are dedicated to expanding the school's classes from preschool to grade six, ensuring a comprehensive educational journey for our students.

- **Holistic Care for Every Child:** Through your generosity, we are able to offer more than just academics. Our students receive a daily hot meal, spiritual guidance, and access to essential healthcare. Your contributions make a tangible difference in their lives.
- **Financial Support for Teachers:** Our committed teachers play a pivotal role in shaping the future of Fort Jacques. Your support ensures they receive their monthly salaries, even during vacation months.

Praise Points

Your generosity has already made a significant impact, and we are deeply grateful for your continued partnership. Together, we are creating a community where education, spiritual growth, and economic development thrive hand in hand.

Prayer & Funding Needs

While the spirit in the classrooms is palpable, we still face some critical needs. Your continued support is instrumental in addressing these needs. In the meantime, we encourage you to pray for the school and for a safe return to school for all students.

The school requires:

- additional desks, books, and other essential supplies to ensure a conducive learning environment.
- **Student Sponsorships:** Many young hearts in Fort Jacques are still awaiting sponsorship. Your generous contributions cover uniforms, books, school bags, and other essential materials. By becoming a sponsor, you offer these children the chance to access quality education and break the cycle of poverty.

We invite you to visit our partnering portal and peruse the profiles.
