

The Grace Institute Zambia (TGIZ)

THE GRACE PROJECT INTERNATIONAL (TGPI) - October-December 2023

Thank You for Helping Us Equip Zambia's Future Ministry Leaders

The Grace Institute Zambia has undergone significant transformations in recent months, focusing on enhancing its academic structure, engaging with key stakeholders, and planning for an expanded educational approach. The organization has made crucial strides in curriculum development, staff recruitment, and strategic partnerships. That includes restructuring many aspects of the organization and introducing a new school director to handle all academic matters.

As we move forward, the Institute aims to provide holistic theological education, preparing students for effective ministry work.

Wins and Progress

- 1. New School Director:** The addition of Rev Andrew Sakala, a seasoned professional in theological training, as the new School Director brings a wealth of experience to the institution. His consultancy has already initiated pivotal adjustments in preparation for a full-time role starting in January 2024.
- 2. Updated Curriculum:** Adjustments in the curriculum, extending the Bible Training Center for Pastors modules and incorporating additional courses, ensure a comprehensive educational experience for students.
- 3. Engagement with Churches/Organizations:** Successful meetings with influential figures in various churches and organizations have been instrumental in building credibility and support for the Institute.
- 4. Satellites Phasing Out:** The strategic phase-out plan for existing satellite schools ensures a smooth transition for current students while aligning with the new educational model.

5. **Utilizing Current Premises:** The decision to repurpose the existing office premises for classrooms provides an opportunity to accommodate more students, enhancing
6. the Institute's capacity.

Lean Budget: Efforts to seek financial support from churches and leaders are underway to sustainably cover operational costs and student tuition.

7. **Radio Advertising:** The Institute's presence on Radio Christian Voice and One Love Radio has generated positive feedback, increasing inquiries and application submissions.

Immediate Needs

1. **Two-Year Rental:** Additional funds are required to cover the upcoming lease and potential increment, ensuring the Institute's operational stability.
2. **Classroom Chairs and Bathrooms:** Procuring chairs with writing pads for students and upgrading restroom facilities are essential for the upcoming academic session's commencement.

SPECIAL FUNDRAISER - Give a Seat of Knowledge!

With potentially up to 30 students gearing up for the upcoming term in February, your contribution of **\$150** will furnish a student with a vital tool for their educational journey - a desk. Your generosity will help us create a conducive learning space that aligns with the cultural needs of our students.

With your support, we're not just providing desks; we're enabling an atmosphere where students can engage, share ideas, and thrive.

Will you help us meet this urgent need by Jan 15th?

Join Us on This Journey of Transformative Education!

The Grace Institute Zambia is poised for a transformative journey in providing quality theological education. Your support in funding desks for students and contributing to operational needs will directly impact the educational experience of aspiring ministers and ensure the Institute's sustainability.

Thank you for considering supporting The Grace Institute Zambia's mission to equip and empower future leaders in ministry.
