

# The Grace Project, Zambia

THE GRACE PROJECT TRAINING CENTER (TGPTC) - December 2024

## Equipping Leaders, Transforming Communities

*"The gospel is only good news if it gets there in time."* - Carl F. H. Henry

The Grace Project Training Centre (TGPTC) continues to equip pastors and Christian leaders in Zambia with the theological education and practical skills they need to impact their communities positively. Led by our dedicated team, including Executive Director Choolwe Kaira and Rev. Andrew Sakala, TGPTC has remained steadfast in its mission to empower spiritual leaders for holistic community transformation. With the combined efforts of our staff, partners, and generous supporters like you, TGPTC is addressing the pressing need for trained, theologically sound leadership in rural and underserved areas.

## Highlight Story: Evangelism Training and Outreach Success

One of the highlights of this month was the evangelism outreach led by TGPTC students in the Woodlands neighbourhood. Armed with the knowledge gained from the 'Missions, Evangelism, and Discipleship' course and the training provided by Pastor Sizwe, our students boldly stepped out to share the gospel. They presented the gospel to many and are thrilled to report that 31 people made commitments to Christ! Among the many encounters, several people expressed their desire to follow Christ and hope to connect with a local church. Stories like this remind us of the transformative power of equipping leaders to reach their communities.

*Students received hands-on training in evangelism and put their skills into action.*

## Wins and Progress

- **Bible Donation:** ShareWord Global further blessed us by donating 24 African Study Bibles, providing our students with invaluable resources to deepen their theological understanding and enhance their ministry efforts.
- **Satellite School Preparation and Graduation News:** In preparation for the upcoming combined graduation ceremony in April 2025, we recently visited our Satellite School in Kabanana. This ceremony will mark the achievement of 53 students from the 2023 and 2024 cohorts, some of whom will receive BTCP and Re-Forma certificates. We are excited to celebrate their hard work and dedication as they step into their roles as trained leaders in their communities.
- **Accreditation Efforts:** Our journey toward accreditation with the Higher Education Authority in Zambia continues. Achieving this milestone will enable us to confer diplomas, further enhancing the credibility and impact of our programs. We appreciate your prayers and support as we work diligently to meet this goal.

*Students participated in an evangelism training session led by Pastor Sizwe from ShareWord Global.*

*A visit to the Satellite School in Kabanana for the graduation ceremony scheduled for April 2025.*

## Prayer Points

1. Pray for the accreditation process to proceed smoothly so they can officially offer diplomas.
2. Pray for the continued provision of resources, partnerships, and support to sustain and expand the Distance Education Program.

## Accessible, Transformational, and Indigenous Education

The Grace Project Training Center (TGPTC) is still in need of an additional \$7,500 CAD per year to fully develop its distance education program. This initiative aims to enhance accessibility to theological education, aligning with TGPTC's vision to become the most accessible theological training center globally.

**Will you consider supporting a student through distance education at just \$50/month?**

## Join Us on This Journey of Transformative Education!

By contributing to the Grace Project, you're investing in the education and future impact of these aspiring leaders. **Your support will ensure that every student has the tools they need to succeed.** As we look to the future, we are excited about the opportunities ahead and anticipate your partnership to sustain and grow this ministry.
