STORIES OF LIFE AND HOPE IN OAXACA

It is a true privilege to share with you some of the beautiful stories of hope and life that continue to unfold at Casa Compasiva. Every prayer and donation you give plays a vital role in shaping these stories. Your support allows the staff to walk beside women and families in moments that truly matter — bringing life into the world with dignity, compassion, and faith.

A NEW FAMILY WITH RENEWED FAITH

Emily and Lalo came to Casa Compasiva for their first prenatal checkup seeking a place where Emily's birth plan would be respected. As foreigners, they longed for a supportive, understanding environment — and they found it here.

Although they were not Christians, they welcomed the devotional times offered at each appointment and even allowed the team to pray with them during labour and delivery. Together, the team cried out to God for the life and salvation of their baby. Today, Emily and Lalo are deeply grateful for the care they received and the love shown to them throughout their journey.

SOFÍA'S COURAGEOUS CHOICE

At just 15 years old, Sofía faced immense pressure from the public health system to end her pregnancy because of her young age. But she chose courage over fear. Supported by her mother and grandparents, Sofía came to Casa Compasiva for help. Thanks to your generosity, the team was able to provide her with prenatal vitamins, supplements, and the compassionate care she needed for a healthy pregnancy.

Today, Sofía has given birth naturally to a healthy baby boy, Elias. Her story is a powerful reminder that every life is precious — and that with love and support, young mothers can thrive.

Your support has made Sofia's journey more compassionate.

CELEBRATING MAYRA'S ACHIEVEMENT

This year, the Casa Compasiva team is celebrating one of their own! Mayra, who has faithfully served as a doula at Casa, recently graduated with a Bachelor's degree in Nursing. For four years, she balanced her studies with her work at Casa Compasiva, demonstrating incredible dedication, perseverance, and love for others.

The team is immensely proud of her accomplishment and prays that God continues to guide her as she begins a new season of service at a hospital outside the city.

A LONG-AWAITED ANSWER TO PRAYER

Over a year ago, Casa Compasiva's ultrasound machine stopped working – a major setback that forced expectant mothers to seek services elsewhere, often at significant cost. The team began to pray for a solution, trusting that God would provide.

That prayer has now been answered! Casa Compasiva has received new ultrasound equipment, and the staff have completed training to offer ultrasounds and breast cancer screening to women in need. This new addition is already making a huge difference for patients, bringing vital healthcare services back within reach.

Casa Compasiva is proud of Mayra's graduation!

MEDICAL BRIGADE 2025: SERVING THE COMMUNITY

In early 2025, Casa Compasiva hosted a medical brigade, providing essential health services to families in need.

That's a total of 48 people served – each one receiving holistic care. Many more lives have been impacted since!

- 8 Pap smears
- 5 nutrition consultations
- 5 general consultations
- 3 counselling sessions
- 12 paediatric dentistry consultations
- 15 dentistry consultations
