## Donor Support and Impact:

Through trusted, locally led partnerships, ImpactHope advanced development in multiple areas such as:

- **Healthcare** in Nebaj, Guatemala – **5800+ patients** impacted. Life-saving hospital care, maternal health services, diagnostics, and support for vulnerable patients.
- **Education & Nutrition** in Haiti – **135+ students and 11 staff** impacted. Schooling, daily meals, and medical support for children and families facing economic hardship.
- **Community Ministry & Food Relief** in Cuba – **160+ families and 418+ children** impacted. Practical assistance and encouragement for families navigating ongoing crisis.
- **Care for Vulnerable Children** in Peru (Iquitos & Belén) – A safe children's home for **16 vulnerable girls** and **street outreach** ministry supporting at-risk children and families living in extreme poverty.
- **Clean Water & Agriculture, Healthcare outreach, community development, youth programs, and women's empowerment** initiatives strengthening long-term stability in Kenya.

Across every country and program, the focus remains the same: sustainable solutions, local leadership, and hope that lasts.
